## Invitation

In order to participate in Novabase General Meeting, you must previously receive a personalized invitation. The received invitation will have all the necessary information for your authentication and validation.

The invitation to participate in Novabase General Meeting is divided in 3 parts:

- 1 Identification of the participant
- 2 Information for direct access to the meeting
- 3 Identification of the room where meeting will be held for indirect access

This manual identifies, when necessary, where the information sent should be placed.

The image shows the Zoom web interface for joining a meeting. At the top, the Zoom logo is on the left, and navigation links for 'JOIN A MEETING', 'HOST A MEETING', 'SIGN IN', and a 'SIGN UP, IT'S FREE' button are on the right. The main heading is 'Join Meeting'. Below it, the text 'Meeting Passcode' is displayed. A red circle with the number '3' is next to a text input field that also contains the placeholder text 'Meeting Passcode'. Below the input field is a blue 'Join' button. A hand cursor icon is pointing at the 'Join' button, indicating it is the next step in the process.

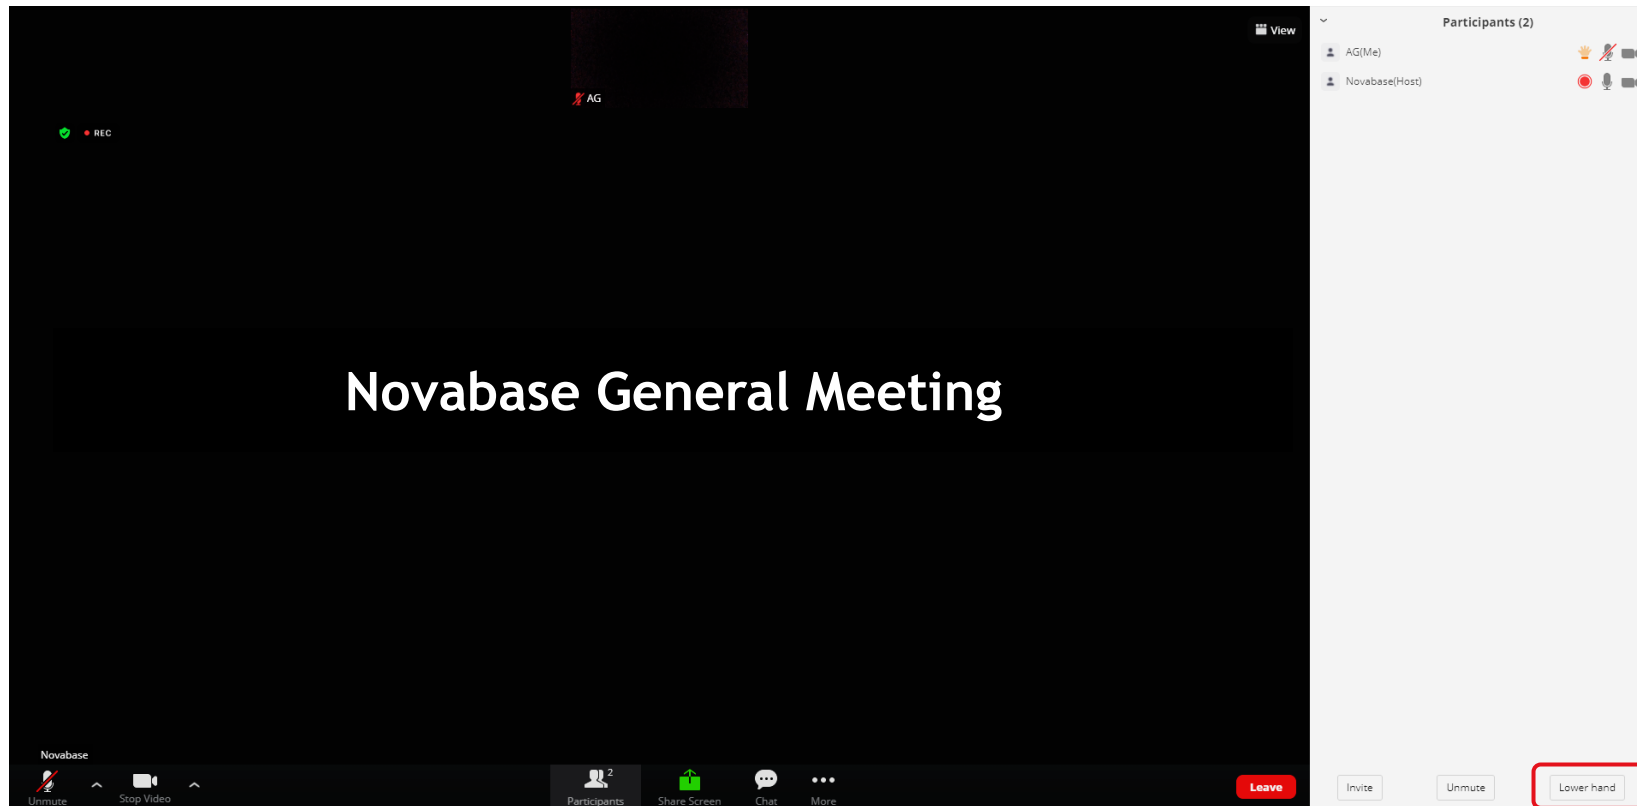

Please wait, the meeting host will let you in soon.

## Participation via application

The Zoom platform is also accessible through an application that can be or is installed on your computer. If this is the case, follow the next instructions.

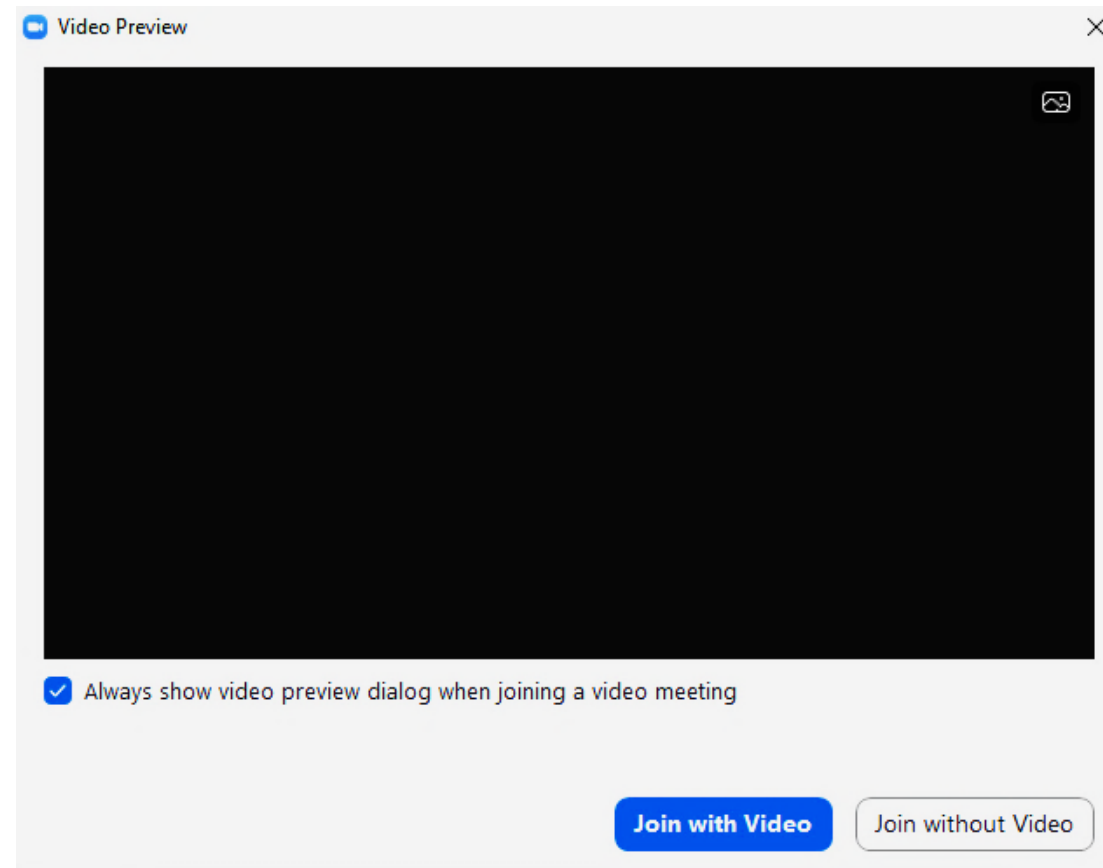

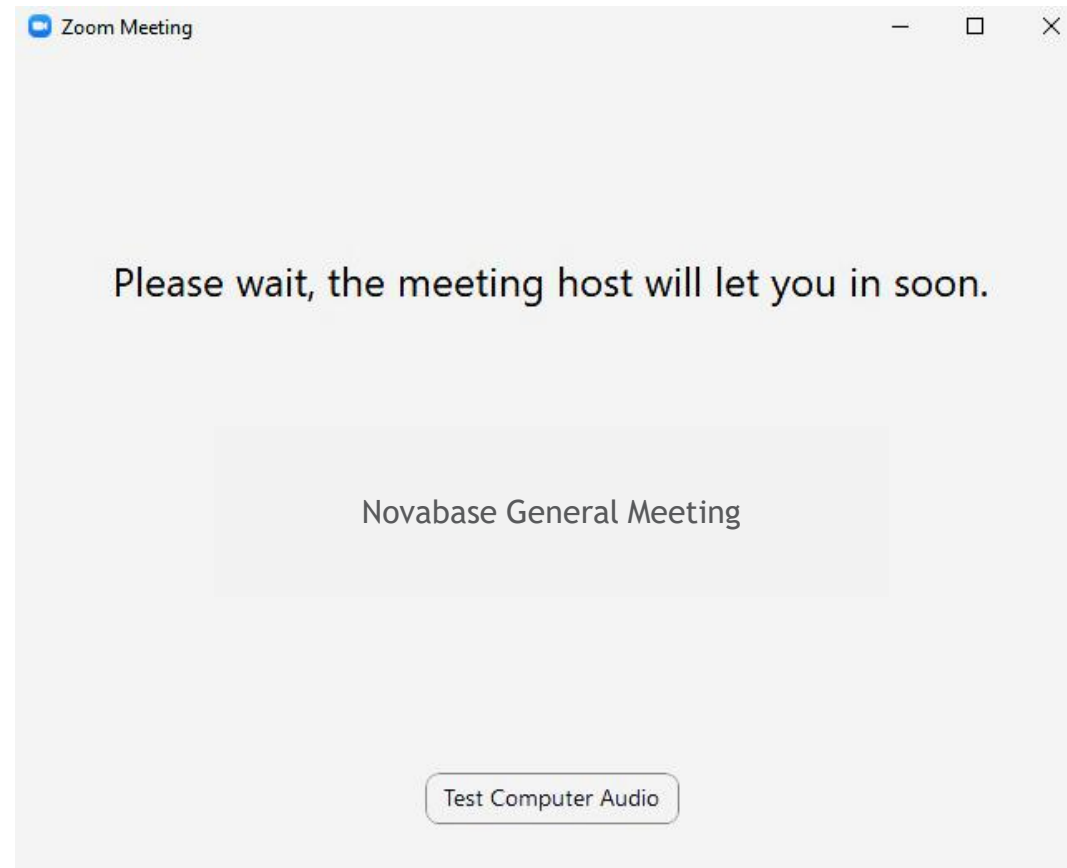

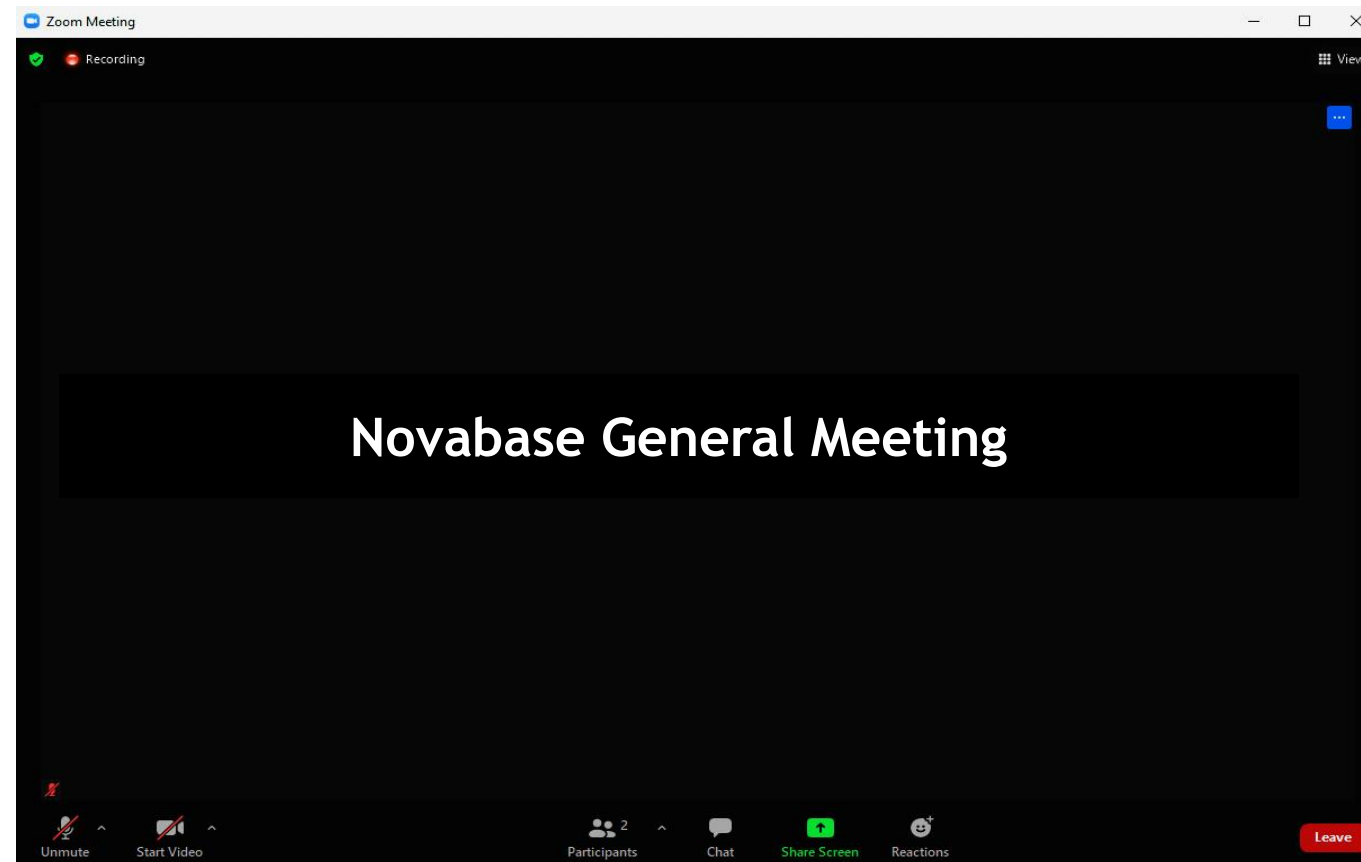

The image shows a Zoom application window titled "Zoom" with a close button (X) in the top right corner. The main heading is "Join Meeting". Below this, there are two input fields. The first field is labeled "Enter meeting ID or personal link name" and has a red box around it with a red circle containing the number "2" to its right. The second field is labeled "Your Name" and contains the text "<NBAG Code> - <Participant Name>"; this field is also highlighted with a red box and has a red circle containing the number "1" to its right. Below the name field, there are two unchecked checkboxes: "Do not connect to audio" and "Turn off my video". At the bottom right, there are two buttons: "Join" and "Cancel".

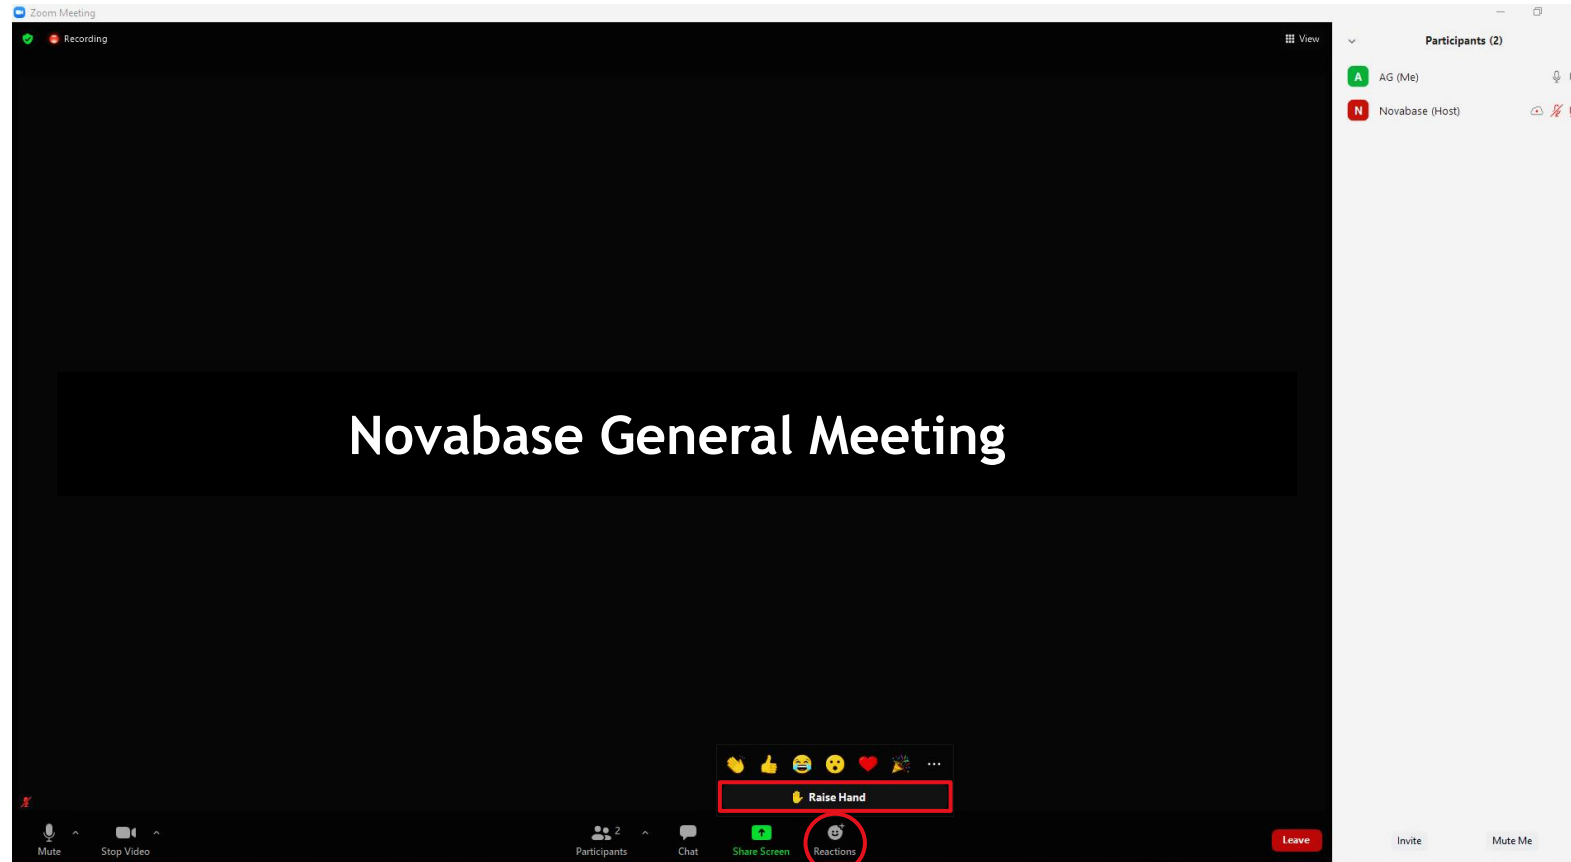

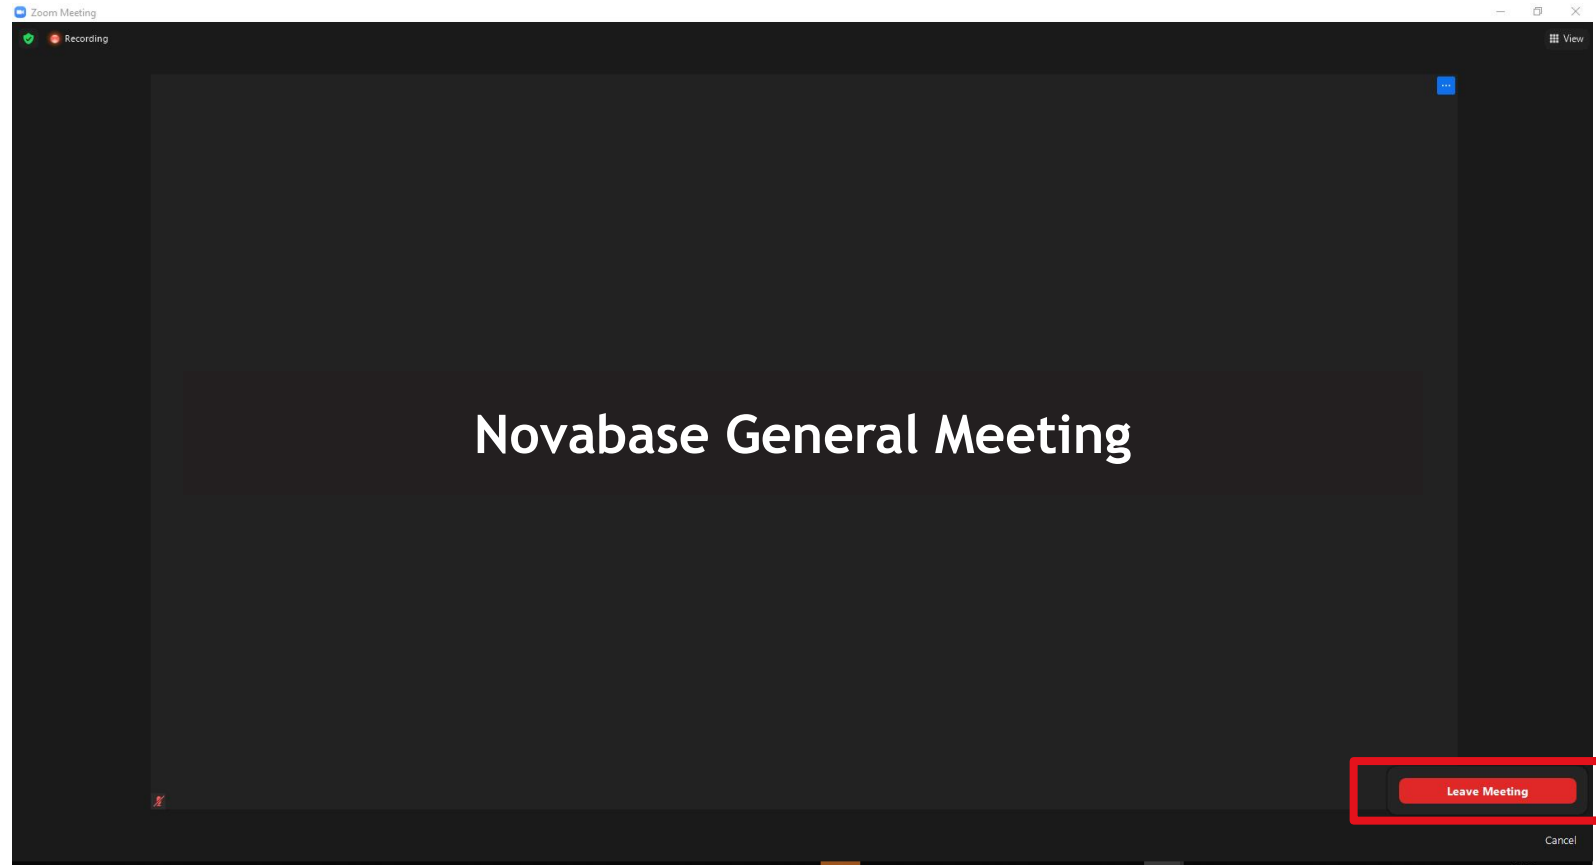

A screenshot of a Zoom application window titled "Enter meeting passcode". The window has a close button (X) in the top right corner. The main heading is "Enter meeting passcode". Below the heading is a text input field with the placeholder text "Meeting Passcode". To the right of the input field is a red circle containing the number "3", indicating a three-digit passcode. At the bottom of the window are two buttons: "Join Meeting" and "Cancel".
