**RE:** Qualified holding in Novabase – Sociedade Gestora de Participações Sociais, S.A. ("**Novabase**")

Dear Sirs,

On June 24, 2021, IBI - Information Business Integration, A.G., a company incorporated under the laws of Luxembourg, with registered office at 1, rue Jean Piret, 2350 Luxembourg, with a share capital of 770,600 EUR (seven hundred and seventy thousand and six hundred euros) and with tax identification number B38854 ("**IBI**"), entered into a shares' sale and purchase agreement of Novabase shares with Mediaries - Serviços de Consultoria e Gestão, Lda., whereby it acquired, on the same date, 341,690 (three hundred and forty one thousand, six hundred and ninety) ordinary shares of Novabase, representing 1.088% of its share capital and voting rights, against the payment of a unit price of 3.715 EUR per share ("**Sale and Purchase Agreement**").

Following a merger operation, IBI incorporated IBIM2 Limited on December 2020, becoming the holder of 4,089,245 Novabase shares held by the latter, representing 13.022% of Novabase's share capital and voting rights, to which are added the shares referred to in the preceding paragraph.

Therefore, following the acquisition notified herein, IBI became the holder of a total of 4,430,935 ordinary shares, representing 14.11% of the voting rights of Novabase.

The above mentioned holding is attributable to Mr. José Sancho García, citizen of Spain, with Spanish identification number 20384390-L, member of the board of directors of Novabase, pursuant to article 20, No. 1, paragraph b) of the Portuguese Securities Code (*Código dos Valores Mobiliários*). Mr José Sancho García is also the direct holder of 3,704 Novabase shares representing 0.011% of the voting rights.

Thus, as a result of the acquisition referred to in this communication, the voting rights attributable to Mr. José Sancho García in Novabase increased from 13.033% to 14.121%.

Without further ado, we would like to express our sincerest respect and consideration, and remain at your disposal for any clarification you may require.

Yours faithfully,

**IBI – Information Business Integration, A.G**

## Notes

- i Please note that national forms may vary due to specific national legislation (Article 3(1a) of Directive 2004/109/EC) as for instance the applicable thresholds or information regarding capital holdings.*
- ii Full name of the legal entity and further specification of the issuer or underlying issuer, provided it is reliable and accurate (e.g. address, LEI, domestic number identity).*
- iii Other reason for the notification could be voluntary notifications, changes of attribution of the nature of the holding (e.g. expiring of financial instruments) or acting in concert.*
- iv This should be the full name of (a) the shareholder; (b) the natural person or legal entity acquiring, disposing of or exercising voting rights in the cases provided for in Article 10 (b) to (h) of Directive 2004/109/EC; or (c) the holder of financial instruments referred to in Article 13(1) of Directive 2004/109/EC.*

*As the disclosure of cases of acting in concert may vary due to the specific circumstances (e.g. same or different total positions of the parties, entering or exiting of acting in concert by a single party) the standard form does not provide for a specific method how to notify cases of acting in concert.*

*In relation to the transactions referred to in points (b) to (h) of Article 10 of Directive 2004/109/EC, the following list is provided as indication of the persons who should be mentioned:*

- in the circumstances foreseen in letter (b) of Article 10 of that Directive, the natural person or legal entity that acquires the voting rights and is entitled to exercise them under the agreement and the natural person or legal entity who is transferring temporarily for consideration the voting rights;*
- in the circumstances foreseen in letter (c) of Article 10 of that Directive, the natural person or legal entity holding the collateral, provided the person or entity controls the voting rights and declares its intention of exercising them, and natural person or legal entity lodging the collateral under these conditions;*
- in the circumstances foreseen in letter (d) of Article 10 of that Directive, the natural person or legal entity who has a life interest in shares if that person or entity is entitled to exercise the voting rights attached to the shares and the natural person or legal entity who is disposing of the voting rights when the life interest is created;*

- *in the circumstances foreseen in letter (e) of Article 10 of that Directive, the controlling natural person or legal entity and, provided it has a notification duty at an individual level under Article 9, under letters (a) to (d) of Article 10 of that Directive or under a combination of any of those situations, the controlled undertaking;*
- *in the circumstances foreseen in letter (f) of Article 10 of that Directive, the deposit taker of the shares, if he can exercise the voting rights attached to the shares deposited with him at his discretion, and the depositor of the shares allowing the deposit taker to exercise the voting rights at his discretion;*
- *in the circumstances foreseen in letter (g) of Article 10 of that Directive, the natural person or legal entity that controls the voting rights;*
- *in the circumstances foreseen in letter (h) of Article 10 of that Directive, the proxy holder, if he can exercise the voting rights at his discretion, and the shareholder who has given his proxy to the proxy holder allowing the latter to exercise the voting rights at his discretion (e.g. management companies).*

<sup>v</sup> *Applicable in the cases provided for in Article 10 (b) to (h) of Directive 2004/109/EC. This should be the full name of the shareholder who is the counterparty to the natural person or legal entity referred to in Article 10 of that Directive unless the percentage of voting rights held by the shareholder is lower than the lowest notifiable threshold for the disclosure of voting rights holdings in accordance with national practices (e.g. identification of funds managed by management companies).*

<sup>vi</sup> *The date on which threshold is crossed or reached should be the date on which the acquisition or disposal took place or the other reason triggered the notification obligation. For passive crossings, the date when the corporate event took effect.*

<sup>vii</sup> *The total number of voting rights shall be composed of all the shares, including depository receipts representing shares, to which voting rights are attached even if the exercise thereof is suspended.*

<sup>viii</sup> *If the holding has fallen below the lowest applicable threshold in accordance with national law, please note that it might not be necessary in accordance with national law to disclose the extent of the holding, only that the new holding is below that threshold.*

<sup>ix</sup> *In case of combined holdings of shares with voting rights attached "direct holding" and voting rights "indirect holding", please split the voting rights number and percentage into the direct and indirect columns – if there is no combined holdings, please leave the relevant box blank.*

- <sup>x</sup> *Date of maturity/expiration of the financial instrument i.e. the date when right to acquire shares ends.*
- <sup>xi</sup> *If the financial instrument has such a period – please specify this period – for example once every 3 months starting from [date].*
- <sup>xii</sup> *In case of cash settled instruments the number and percentages of voting rights is to be presented on a deltaadjusted basis (Article 13(1a) of Directive 2004/109/EC).*
- <sup>xiii</sup> *If the person subject to the notification obligation is either controlled and/or does control another undertaking then the second option applies.*
- <sup>xiv</sup> *The full chain of controlled undertakings starting with the ultimate controlling natural person or legal entity has to be presented also in the cases, in which only on subsidiary level a threshold is crossed or reached and the subsidiary undertaking discloses the notification as only thus the markets get always the full picture of the group holdings. In case of multiple chains through which the voting rights and/or financial instruments are effectively held the chains have to be presented chain by chain leaving a row free between different chains (e.g.: A, B, C, free row, A, B, D, free row, A, E, F etc.).*
- <sup>xv</sup> *The names of controlled undertakings through which the voting rights and/or financial instruments are effectively held have to be presented irrespectively whether the controlled undertakings cross or reach the lowest applicable threshold themselves.*
- <sup>xvi</sup> *Example: Correction of a previous notification.*
